

## Terms of Service

Last updated: August 30, 2025

### 1. Acceptance of Terms

By accessing and using the Quantum Trade AI investment platform (“Platform”), you agree to be bound by these Terms of Service (“Terms”). If you do not agree to these Terms, you are not permitted to use the Platform.

### 2. Definitions

- User: An individual or legal entity registered on the Platform.
- Company: QUANTUM AI TECHNOLOGIES LTD, operator of the Platform and owner of all rights to the service.
- Account: A personal dashboard for managing balances, investments, and referral programs.
- Services: Investment, analytical, and referral tools provided by the Platform.

### 3. User Eligibility

- 3.1. Users must be at least 18 years old and legally capable of entering into binding agreements.
- 3.2. Users must successfully complete KYC verification to access certain features.
- 3.3. Users from restricted jurisdictions may not be eligible to access all or part of the services.

### 4. Account Registration and Security

- 4.1. Registration is required to access the Platform (email confirmation is not mandatory).
- 4.2. Multi-accounts are strictly prohibited. A “multi-account” means a chain of accounts controlled by the same individual to exploit referral or profit mechanisms. If detected, only the principal deposit will be returned, excluding any unjustified profits.
- 4.3. Users are responsible for maintaining the confidentiality of login credentials. Any actions made through the account are considered actions of the User.
- 4.4. Users must immediately notify the Company of any unauthorized access. The Company is not responsible for losses caused by negligence in safeguarding account credentials.
- 4.5. Attempts to conduct DDoS attacks, hacking, or any interference with Platform operations are strictly prohibited.

### 5. Deposits and Withdrawals

- 5.1. Deposits and withdrawals are available exclusively in USDT (TRC-20).
- 5.2. The minimum deposit amount is 250 USDT.
- 5.3. Deposit transactions are subject only to blockchain network fees. No additional fees are charged by the Company.
- 5.4. Withdrawals may take 24–48 hours to process and are subject to verification procedures. The Company reserves the right to request additional documents for large

transactions.

5.5. Deposit principal is locked until the end of the chosen investment period. Daily profits can be withdrawn at any time.

5.6. Emergency withdrawal of deposit funds before the end of the selected plan term is not supported by the system.

## 6. Investment Plans and Returns

6.1. Users may select from the following investment plans:

- Plan 1: 12% per month (daily profit credited directly to balance);
- Plan 2: 15% for 1 month;
- Plan 3: 20% for 3 months;
- Plan 4: 30% for 6 months;
- Plan 5: 40% for 12 months.

6.2. For **Plan 1**, profits are accrued daily and credited directly to the User's account balance.

6.3. For **Plans 2–5**, profits are calculated by the system but become available for withdrawal **only after the plan term has ended**.

6.4. The profitability of all plans is based on the principle of **compound interest**, where daily accruals generate additional returns over time, resulting in significantly higher yields compared to simple interest models.

6.5. Principal deposits are available for withdrawal only upon completion of the chosen plan term.

6.6. The Company guarantees profit accrual according to the selected plan. However, Users acknowledge that all investments in digital assets inherently involve risks and past performance does not guarantee future results.

6.7. All trading operations are executed by the system automatically without the knowledge or participation of Users. Profit is distributed from a common pool and credited to Users according to the chosen plan.

## 7. Products and Developments

7.1. Users may purchase access to additional products and developments of the Company.

7.2. Requests should be sent to: [product@quantum-bot.ai](mailto:product@quantum-bot.ai).

## 8. Referral Program

8.1. The referral program provides multi-level rewards:

- Level 1 (direct referrals): 5%;
- Level 2: 2%;
- Level 3: 1%.

8.2. Referral bonuses are credited in USDT and can be reinvested or withdrawn subject to minimum conditions.

8.3. Spam, fake accounts, and fraudulent schemes to exploit referrals are prohibited.

## 9. Ambassador Program

9.1. An Ambassador Program is available for active partners, offering special conditions, bonuses, and privileges.

9.2. Applications should be submitted to: [business@quantum-bot.ai](mailto:business@quantum-bot.ai).

## 10. Official Communications

10.1. All official announcements are published only through:

- X (Twitter);
- Telegram.

10.2. Additional channels may be announced in future updates to these Terms.

10.3. Any information not published through official channels is considered invalid.

## 11. Prohibited Activities

Users are prohibited from:

- Money laundering or terrorist financing;
- Using the Platform for illegal purposes;
- Attempting to exploit system vulnerabilities;
- Creating multiple accounts for abuse;
- Providing false or misleading information.

## 12. Technical Maintenance and Availability

12.1. Scheduled maintenance does not affect profit accruals or withdrawals.

12.2. Updates and testing are performed on test servers before deployment.

12.3. Implementation of updates occurs during night hours to minimize inconvenience.

12.4. The Company strives to maintain uninterrupted availability but cannot guarantee access in the event of factors beyond its control.

## 13. Force Majeure

The Company is not liable for losses caused by events beyond its reasonable control, including but not limited to:

- Wars, military actions, terrorist acts;
- Natural disasters;
- Market shutdowns or currency interventions;
- Regulatory changes;
- Severe market instability or liquidity collapse;
- Actions of government authorities.

## 14. Financial Stability and Security of Funds

14.1. Capital Adequacy

The Company maintains a reserve fund exceeding GBP 10,000,000, ensuring long-term operational stability and the ability to withstand market volatility.

14.2. Client Fund Segregation

Client funds are segregated from operational funds and stored in separate cryptocurrency wallets, guaranteeing protection in case of unforeseen events.

#### 14.3. Risk Management Systems

The Company applies proprietary quantum algorithms and artificial intelligence for risk forecasting and mitigation:

- Quantum Entanglement Neural Network (QENN) and Hyper-Dimensional Market Oracle (HDMO) provide forecasts with accuracy up to 99.7%;
- Capital is diversified across multiple instruments to minimize losses;
- AI Quantum Self-Evolution Engine (AQSEE) continuously improves algorithms for faster adaptation than traditional systems.

### 15. Limitation of Liability

15.1. The Company is not a bank or licensed financial institution.

15.2. Despite advanced AI and quantum systems achieving high accuracy, all investments in digital assets carry inherent risks.

15.3. The Company is not liable for indirect, incidental, special, or consequential damages, including lost profits, arising from use of the Platform.

### 16. Changes to Terms

The Company reserves the right to amend these Terms at any time without prior notice. The latest version will always be available on the Platform.

### 17. Governing Law

These Terms are governed by the laws of the jurisdiction where the Company is incorporated.
